**1992-1993 Dale Carnegie.** Effective Human Relations and Public Speaking.

### **SUMMARY**

I use my backgrounds in business, human relations, and public speaking everyday to create a better, more efficient, positive atmosphere around me. On the design floor I am a team player and an enthusiastic leader. In the boardroom, I'm concise, collected and focused on the job. As a manager, I provide honest sincere appreciation and feedback to employees, and in return, receive genuine respect and understanding, better support and loyalty, long-term stability, and increased work performance/satisfaction.
